RE: AUSTRALIAN RISK APPLICATIONS (AUSTRISK)

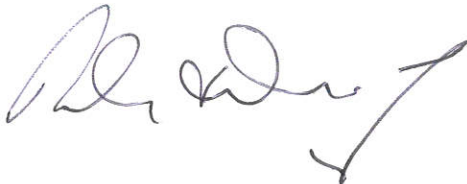

The OSS Group has been a client of ARA for coming up to 7 years.

They arrange cargo and liability coverage for the various OSS Group transit activities and have been able to identify the needs of our Group and tailor the transit insurance coverage accordingly.

We have always found the team at ARA to act professionally and are responsive to any issues that come up, which thankfully have been few in number.

ARA operate a specialised brokerage in the area of marine and transit risk and their specialisation has enabled them to attract clients like OSS who have specific needs.

We have enjoyed dealing with Michael, Tim and the team at ARA in the 7 years of our association.
