WORLDWIDE  
ASSOCIATIONS

The Australian Vanlines Group of Companies based in Sydney, Canberra, Melbourne, Perth, Alice Springs and Darwin is pleased to be associated with Australian Risk Applications Pty Limited. All our marine risk insurance (domestic and international), carriers liability risk insurance and professional indemnity risk insurance needs are purchased through Australian Risk Applications.

Since the commencement of the relationship in October 2006, we have found Austrisk people at all levels in the organization to be supportive, informative and helpful with all insurance issues including pre-sales special requirements and claims management.

I gladly recommend Australian Risk Applications Pty Limited to others in the moving industry.

Yours Sincerely

SID VALLAYDAM
